

## Local Taxes Top \$8.6 Million, 3.7% Rise

**Tax Books Completed,  
Bills Expected To Be  
Ready For June Payment**

Taxes certified for collection from Quad-City property owners this year total \$8,613,378, up \$313,867 or 3.7% from last year, records of County Clerk Eulalia Holz showed today following completion of the tax books. A year ago, the increase was \$507,647 or 6.5%.

Collection books were obtained Friday by outgoing Nameoki township collector Harold Massa and are to be picked up today by Venice township collector Frank Reidelberger Jr. and early this week by Granite City collector Frank Sappington. Preparation of tax bills is expected to take several weeks, with emphasis placed on collection during June.

Of the \$8,613,378 total, \$445,985 is to be paid by Nameoki directly to the county, leaving \$8,167,393 due for collection by the local officials. This \$8,167,393 includes \$7,884,828 current taxes, \$282,564 back taxes and \$70 in Nameoki township dues.

A year ago, the \$8,225,511 aggregate included \$7,212,539 current taxes for local collection, \$244,334 back taxes, \$131 due licenses and \$648,687 railroad taxes.

A breakdown of the new \$8,613,378 tax bill discloses \$5,476,894 in Granite City township, up \$223,903; \$2,238,609 in Venice township, up \$202,021; and \$877,883 in Nameoki township, up \$80,681.

**\$4,786,109 For Schools**  
Quad-City schools account for well over half of the local taxes, with \$4,786,109 listed in 1960 taxes for 1961 collection. This compares with \$4,609,629 a year ago.

Cities account for \$1,408,811 (\$553,225 last year) in the East St. Louis-Levee and Sanitary District, \$774,632 (\$771,371); Madison County, \$306,732 (\$249,827); park districts, \$228,763 (\$207,357); townships, \$200,683 (\$207,171); fire districts, \$88,609 (\$81,513); and street lighting districts, \$22,927 (\$22,221).

Granite City's \$5,476,894 total includes \$5,287,942 current taxes for local collection, \$122,130 back taxes and \$66,822 railroad taxes. Venice township's \$2,238,609 consists of \$1,907,250 current, \$124,701 back taxes and \$206,658 railroad. Nameoki township's \$877,883 includes \$689,735 current, \$25,702 back taxes and \$62,446 railroad.

**Costs in Collect 1962**  
Elbert Coats was elected as Nameoki township collector last November, but his term did not become effective until after completion of the 1960 tax year. Figures for the year are collected in the next year.

Factors in the tax totals are as follows:—Granite City district (Continued on Page 11, Col. 5)

**Undergo Surgery**  
The following are recovering at St. Elizabeth Hospital from surgery which they underwent since Thursday: Eugene Brown, 2638 East 25th street; Thomas Harmon, 1737 More avenue; Adele Hart, Rural Route 2, Edwardsville; Pauline Seebold, 2402 Madison avenue; Jean Teller, 2152 Adams street; Brian McFalls, 2024 Buxton avenue; Merrill Jackson, 2708 Kirkpatrick Homes.

**BIRTHS**  
Births recorded at St. Elizabeth Hospital:

**GIRLS**  
Mr. and Mrs. Louis Cronko, Rural Route One, 36 and Mrs. Wayne Painter, 1422 Iowa street.  
Mr. and Mrs. Garnett Williams, 2808 Birch avenue.  
Mr. and Mrs. Lawrence Travis, 2102 Benton street.  
Mr. and Mrs. Donald Reinagel, Collinsville.

**BOYS**  
Mr. and Mrs. Robert Rogers, 43 Grenzer Homes, Madison.  
Mr. and Mrs. Wayne Johnson, 1314 Oriole street, Venice.  
Mr. and Mrs. Stanley Kwiatkowski, 2413 Jorden avenue.

## Madison Boy, 7, Has Astronaut's Autograph

One of the proudest little boys in the Quad-Cities is seven-year-old Michael Schreiber, of Madison who has the autograph of Astronaut Alan B. Shepard Jr.

Michael, a second grader at Harris school, is the son of Madison School Board Member and Mrs. William Schreiber, 1913 Harris street. His father works on Lockheed at McDonnell Aircraft Corp., where last Friday's space capsule was made.

Schreiber said all seven astronauts have visited the plant on numerous occasions, but he obtained only Shepard's autograph—"Best of Luck, Mike, Alan B. Shepard Jr., Mercury Astronaut." The father said the autograph is on a slip of plain paper and is carefully preserved in plastic.

## Seek Meeting On Riverfront Road Route, Crossings

Plans were made here Thursday afternoon for united action by the Chamber of Commerce, Port District, Bi-State Development Agency and local cities on possible revisions in Route 151, proposed riverfront roadway. A meeting with district and state highway engineers is being sought for the week of May 22, following another discussion by the interested parties May 18.

While no delaying changes are sought, members of the C. of C. Transportation and Highway Committee concluded the talk with the state on the route location and its railroad and traffic interchange will be helpful and could speed the construction by eliminating the possibility of future planning problems.

Points stressed were that the new highway will carry much traffic, due to diversion of vehicles from Routes 67a and Three, and that vehicle flow between the Quad-Cities and the route also will be substantial.

Neil Mackay of the H. W. Lochner engineering firm, representing the Tri-City Regional Port District, displayed a map showing original and revised routes and discussed advantages and disadvantages of both. It was brought out that grade elevations may be necessary for two auto crossings and one or two railroad crossings, due to

## In Seventh Ward Jas. Kostoff To Contest Mrs. Betinec's Election

A vote contest is looming for the Seventh Ward seat at the city council table, it was learned yesterday from Alderwoman Mrs. Gabrielle Betinec, who was declared winner over James Kostoff by 17 votes in the April 14 city election.

Mrs. Betinec said she was in Chicago over the weekend and upon her return found a notice of a registered letter. The letter from Kostoff stated that he planned to seek a recount of all Seventh Ward votes by the city council.

He alleged in the notice to the alderwoman that "there were errors by election judges in counting the ballots and in the manner of counting. Kostoff could not be reached for comment."

Mrs. Betinec said she conferred with City Atty. William Beatty and was told a notice of vote contest could be filed within 30 days after the canvass. The law council canvassed the April 4 election at a special meeting April 10.

The official canvass declared Mrs. Betinec the winner by 17 votes. She won over Kostoff 119 to 115 in the 18th precinct and 279 to 228 in the 19th precinct, but Kostoff won 137 to 159 in the 2nd precinct, the canvass showed.

City Clerk A. L. Stevens said he received a notice Thursday evening of Kostoff's intention to contest Mrs. Betinec's re-election. The next regular council meeting is scheduled for next Monday, May 15.

## Sundeck To Be Added At Wilson Park Pool

**Bid Opening For 50x200  
Area Set For Friday;  
Schedule Announced**

Expansion of facilities at Wilson Park swimming pool with the addition of a 50x200-foot sundeck is to be undertaken shortly with a call for bids going out today.

Barry Loman, president of the park district board, said the concrete sundeck area should increase the capacity of the pool, which in recent years has been overtaxed during heat waves.

Bids on the project are scheduled to be opened on Friday, and it is hoped work will begin immediately since the pool is to be in operation for the first time of the season on the weekend of May 27-28. It will be in operation also on Memorial Day, May 30, the weekend of June 3 and 4 and will begin continuous operation on June 10.

Approval of the sundeck by the state department of public health was received last week by the park district.

**Pine Trees On Deck**  
Loman said eight or 10 pine trees, located on the west side of the pool, will be left in the sundeck area, while about 12 others will be removed.

"We plan to have shuffle courts at the north and south ends of the deck, and at the south end of the present wading pool a large 16-foot concession trailer will be placed to serve the sunbathers," Loman explained.

He added that the sundeck area will be separated from the pool by sections of fence. About 12,500 square feet of concrete is to be poured. The district set \$30,000 into 1960-61 budget for the improvement.

**No Change In Prices**  
Pool hours and admission charges will be the same as last year with season tickets also to be available to children and adults.

Hours will be from 1 to 9 p.m. and prices will be 25 cents for children and 60 cents for adults.

## Patronage Slim On Experimental Bus Routes Here

Patronage on the experimental bus routes in the Glenview and Bellemeare areas has been slim, resulting in operational losses for Community Coach Co. on the extended routes, it was learned today.

The extra routes were started on April 3 under an order issued by the Illinois Commerce Commission at the request of the city and the trial runs are to be continued 90 days after a hearing is to be held at 10 a.m. Tuesday, July 18, before the ICC at Springfield.

Leonard Azeo, official of the bus company who is planning to move to a new home along the extended bus line on Johnson road and is hopeful the service can be continued, said he is to complete his report of the first month's operation by next Saturday for presentation to the commission and the city council.

**20 to 30 Riders**  
"Right now we're serving eight passengers daily on the Bellemeare route and 15 to 20 on the Glenview run. However, there are too many automobiles in the area. What we need are regular daily commuters, and the routes were set up to serve them."

"Once the commuter routes are a success, then the service can be increased to accommodate the shoppers. That's the trend throughout the nation—to serve the regular commuter first and then the shopper. That's easier to increase service than to cut it," Azeo explained.

He added that the six to eight daily riders on the Bellemeare route buses give the company an income of \$1.20 to \$1.60, while the needed daily income is \$11.

Daily income on the Glenview route was \$3 to \$4, while \$8 to \$9 is needed to break even.

**Hurting Delmar Regulars**  
Azeo said that patronage on the basic Delmar average route has suffered slightly as a result of the extended service, since the company was forced to switch to 40-minute service from 30-minute runs. Community Coach is operating six morning runs and four afternoon runs on the Bellemeare route and six in

## Armed Holdup, Safecracking, Thefts; Arrests Being Made

Another armed, masked robbery occurred in the Quad-Cities, and the weekend activity included many thefts, a safe burglary and other break-ins.

A month-old burglary was solved with arrest of two men, and other arrests were made as police sought to solve the many theft cases.

**\$70 Stole-up Saturday**  
A lone bandit, armed with a revolver and wearing a dark clothing mask, held up Thelma's Cafe, 2000 Hildebrand street, Cloverleaf Addition, about 4:15 a.m. Saturday, taking about \$70 in currency from the cash register and a cigar box which also contained about \$35.

The waitress, Mrs. Pauline Holt, 20, of 1922 Troy street, told Madison police and county authorities that she was alone in the place and was at the counter eating lunch when the bandit entered through the front door.

Threatening to shoot, he ordered her to face the wall while he went behind the counter to loot the register and to take two cigar boxes from a closed cabinet above the sink. The second box contained first aid supplies and miscellaneous items.

Mrs. Holt, who was badly frightened, was ordered to stand in the wall for another five minutes as the bandit fled. She did not hear an auto, but a service station operator told Madison police he saw a 1950 or 1951 brown touring leave Cloverleaf at a high rate of speed and head toward East St. Louis.

The waitress said the bandit had a "young voice," was about five feet, six inches tall, weighed about 150 pounds and was wearing either a dark blue or black jacket. She noted that the stocking mask had a number of runs and snags and that the holdup man was carrying an Army-type duffel bag.

The restaurant is operated by Mrs. Thelma Jacob.

**Second Robbery Charge**  
A second suspect in the armed robbery of a music store, which occurred May 1, Clem Carpenter, 42, Centerville, Ill., was charged with robbery Saturday by Venice police. He was still in custody today.

Earlier, the police arrested Nemon Johnson, 30, East St. Louis, charged with armed robbery. (Continued on Page 11, Col. 3)

**Auto To Industrial Growth**  
Noting that recreational facilities are vital for attracting tourists, Mayor Lee said today that "a very much needed in this general locality." He noted that highway projects will reduce the auto and the Grand Marais state park, and that the city is planning a lake would "boost traffic" on the new riverfront highway.

## Car Hits Pole; Knocks Out Power In Madison Area

Nearly a third of the city of Madison was without electricity for several hours Saturday when a motorist lost control of his car at the 15th and State streets intersection, power lines were broken off at the base about 6:38 a.m.

The driver, John D. Kipp, 21, of 1412a Twenty-first street, was taken to St. Elizabeth Hospital by a passerby and was admitted for treatment for a head and shoulder and rib injuries, multiple abrasions and a cut to his left hand.

Kipp, Laclede Steel Co. employee, told police he was driving north when a front wheel of his 1954 convertible car was locked, causing him to lose control and veer across the street into the pole. After smashing the pole and causing about a dozen "hot" wires to fall to the sidewalk and street, the car went on to crash into a wire fence at Hiker Supply Co., knocking down five concrete posts and about 20 feet of the fence.

Police and an emergency crew for several hours Saturday worked to clear the wires and dispatched to the scene. Police directed traffic while the pole was replaced and the wires restoring.

## 2 Men Burned In Explosion At Steel Plant

Two men were burned and production in several departments was halted at Granite City Steel Co. about 10:20 last night when an oil circuit breaker exploded in the turbine plant.

An electrician, Herman Kemel, 35, of St. Louis is in fair condition but 20% of his body including his neck, back and right arm. His clothing caught fire as he was standing near the circuit breaker when it exploded.

**Lighting Hit Line**  
A company spokesman said lightning had knocked out a 600-volt line to the hot strip department yesterday morning and electricians had worked all day to make repairs. The current was being turned on last night when the circuit breaker exploded. Firemen from Granite City's main station were called and were at the scene until midnight to extinguish the flames with chemicals and water. No estimate has been made of the damage.

Production has been curtailed in the blooming mill and hot strip and cold strip departments and several morning shifts were sent home today. The cold strip department is expected to be down from eight to 24 hours. The other departments are operating on "an up-and-down" basis while power repairs are underway.

**Girl, 2, Unhurt In 10-Foot Fall From Window**  
A small girl, two-year-old Linda J. Norris, escaped injury when she fell to the ground from an open upstairs window at her home about 8 p.m. Thursday.

The girl, daughter of Mr. and Mrs. Norris, 3810 Kirkpatrick Homes, was taken to St. Elizabeth Hospital and confined overnight for observation. She was released Friday.

X-rays were negative and no bruises or cuts were sustained. "The child was not hurt," said. It is believed the little girl had opened the window herself.

**Fourth Thursday Mishap**  
Cindy Smallwood, 13, daughter of Mr. and Mrs. Ernest Wilcox, 2212 Alexander street, fell while holding a pencil, sustaining a punctured left arm. "Four stitches were taken," said.

Donald Kamadulski, 12, son of Mr. and Mrs. Leonard F. Kamadulski, 2701 Susan drive, was accidentally struck on the head with a shovel, suffering a small cut. Four stitches were required to close the cut.

Joseph Podnar Jr., 11, son of Mr. and Mrs. Joseph Podnar sr., 1818 Second street, Madison, fell while playing at St. Mary's school injuring his right thumb and wrist. A cast was applied and he was released.

## Weekend rains Point To Sewer Needs In City

**Many With Flooded  
Basements Calling For  
Master Sewer, Drainage**

Granite Cityans are ready for the master sewer and drainage program.

The weekend's 6.24 inches of rain, including 3.07 inches in the 24-hour period ending at 8 a.m. today, convinced local residents the dire need for revamping the city's present sewer system.

A Press-Record photographer in touring a number of the trouble spots yesterday afternoon was besieged with questions by homeowners with water lapping at their house foundations. "When are we going to get those

Shortly before noon today a resident of the Heintzelne area in Wilson Park telephoned the Press-Record to say water is "at my front door" at Idaho and Troy streets. "I hope they hurry on the drive need for revamping the city's present sewer system."

The Citizens' Master Sewer and Drainage Committee is expecting the complete engineering survey report in two weeks.

Complaints of flood conditions were telephoned to the city hall and Press-Record from all sections of the city, starting yesterday afternoon and continuing today. Madison police received several reports today of flooded basements in scattered sections of the city.

**Water Tests Cause**  
Two men, who drove through the flooded intersection at 23rd and Cleveland blvd. yesterday afternoon, returned to test their recently repaired canoe. Garbed in rain gear, they were testing both streets as Supt. of Streets William Warfield and a crew of street workers erected a barricade over the manhole.

The pair, Neil Randall, 2643 Edwards street, and Vincent Joy, 2708 Kirkpatrick Homes, spent an "enjoyable" hour before carting the canoe to test their intersection was still flooded this morning.

Stranded women in a small foreign car stalled on East 20th street at Quincy street, and attempting to turn around, finally were able to get the car through the high water. They stopped near the intersection of the high water of the car before they went on.

Stalled cars were abandoned in the middle of many streets, and there were reports of basement basements in many sections of town.

Sacred Heart School Classes  
Sacred Heart school classes held this morning because the basement, where several classrooms are located, was flooded. The school is located at 26th street and Washington street. It could not be determined this morning if the hundreds of pupils also would have a holiday tomorrow.

Students of the 42nd block of Maryville road in the city could not get to school because of the high water. He said he could see water coming in the car doors.

Other residents of the same block said water was pouring in their basements, and one said he had two feet of water in his backyard, located near a recently installed drainage line.

Franklin Harding avenue resident notified police yesterday he was cutting a hole under the sidewalk at his home so water could flow into a field instead of his house.

Complaints also were received of flooded conditions on Jefferson avenue in East Granite, at West Pontion road and on the Cleveland, Old Alton road, in the Glenview, and on the Garden of Gardens area, North Granite, Heintzelne, the Wilson Park

## Area's Birthrate Up This Year

A slight increase in the Quad-City area's birthrate was noted for the four-month period ending April 30, according to vital statistics compiled for the entire community by Granite City Clerk L. Stevens.

With 109 births recorded last month, the birthrate for the year stands at 446, as compared to 441 for the same period in 1960.

Decline in the deathrate was reported by Stevens, who said that with the 34 reported deaths for the same period in the year, show 126 deaths, the first four months last year, 141 deaths were recorded.

## 25-Year Club Banquet

# General Steel To Honor 119 Employees With Long Service

The 25-Year Club of General Steel Industries, Inc. will hold its fourth banquet at the Statler-Hilton hotel, St. Louis, Tuesday, honoring employees who complete 25 and 30 years of service with GSI during 1961.

Charles P. Whitehead, president, will present engraved gold watches and membership certificates to 86 GSI employees who complete 25 years of service this year. Thirty-three awards consisting of gold and diamond lapel pins to employees completing 30 years with the company also will be presented.

Whitehead has announced that well over 25% of GSI's employees have 25 or more years of service with the company. Guests at the banquet are to be entertained by dinner music and a program by the Municipal Opera Quartet.

A similar banquet will be held by General Steel Industries, Inc. in Philadelphia, Pa., on May 22 for employees of the company's Edgelyne, Pa., plant.

**30-Year Award Recipients**  
Gold and diamond lapel pins are to be presented to the following for 30 years service:

Willie H. Allen, Walter H. Amelung, W. Tobias Anderson, Leo N. Anthony, Sylvester B. derbeck, Harvey Bonivar, Fred F. Beyer, Garvey Dyer, Vernie E. Dye, Morgan S. Emmens, George R. Gassdorf, Frank G. Gilham.

Walker, George Wilkerson, Joseph Williams, Rudolph Zerlan.

## Charges Against Driver

Three charges were filed against Francis M. Perkins, 32, St. Louis, by Venice police after his auto collided with a railing on the McKinley Bridge at 7 a.m. Friday.

The car, towed to a garage, had extensive front and side damage. Perkins was held on charges of careless driving, property destruction and driving while intoxicated, pending release on bond.

## Rental Disagreement Delays Bi-State Plans

Disagreement over rental arrangements in a lease proposal for land which the Bi-State Development Agency plans to develop as a harbor area on the Chain of Rocks canal near here is delaying construction of a \$3,350,000 grain elevator.

Col. R. E. Smyser, Bi-State executive director, said this morning that the disagreement is between Bi-State and the office of chief engineer, U. S. Corps of Engineers, Washington.

He said that Bi-State and the St. Louis District Corps of Engineers office had reached "compliance agreement" earlier on lease arrangements, and forwarded the proposal to Washington.

A letter of rejection was received by Bi-State Agency this morning, Col. Smyser said.

"The Corps of Engineers policy is apparently to demand full rental from the day the lease is signed. This apparently represents a change of policy in Washington," Col. Smyser added.

The lease proposal as submitted by Bi-State with the agreement of the district Corps of Engineers called for only partial payment of leasing fees until the grain elevator at the harbor site is completed. The harbor facilities are on land owned by the Corps of Engineers.

Bi-State has an agreement with the Illinois Grain Corporation of Chicago for the construction of the elevator, but Col. Smyser remarked that "We can't sell a single revenue bond until we get a lease." Construction of the elevator is to be financed through sale of the bonds.

Col. Smyser said he and Col. Joseph J. D'Arezzo, district engineer for the St. Louis District Corps of Engineers, have already discussed informally several suggestions as to the completion of lease arrangements, but that any agreement which they reach must be submitted to Washington. "This will take another six to eight weeks," Smyser said.

**Mrs. Trammell Recovering**  
Mrs. Bessie Trammell, 29, Beckwith street, Madison, is recovering at Jewish Hospital, St. Louis, from the second operation which she has undergone since sustaining a broken back and hip in a fall Feb. 11. She will be confined to the hospital for several weeks.

**TEAM CONFERENCES**, such as the one being conducted at St. Elizabeth Hospital nurses station shown here, are held twice during each nursing shift at the hospital, which is currently observing National Hospital Week.

Team leader Mrs. Bernice Aldes Christine Todd and Edna Duckworth (fourth from left) meets with staff to discuss progress of patients on the floor and routines to be followed in fulfilling patient needs. From left to right are Nurses Ishaamel, Mrs. Duckworth, Supervisor of the Surgical Floor Sister M. Theodore and Mrs. Mildred Dugan, RN.

**NEWLY-ELECTED OFFICERS** of the Bellemore Village Businessmen's Association are left to right, Elmer "Rocky" Wenzel, president, manager of Gann's Shoe World; Miss Virginia Judd, secretary-treasurer, assistant secretary of Madison County Federal Savings & Loan Association; and Ernest Bickhaus, vice-president, owner of Bellemore Sporting Goods. Retiring president is A. T. Amelung, of Tri-City Grocery. Among plans of the new officers, are a grand opening event about July 1 to call attention to the opening of the new wing, which contains seven new business establishments.

## Eagles Lodge Plans Mothers' Day Program

The Fraternal Order of Eagles, originator of Mother's Day, will observe the occasion here next Sunday with a special program starting at 2:30 p.m. in the lodge hall, 2558 Madison avenue.

President Edward McGovern has named Huber W. Hennrich as program chairman. Special awards are planned for the oldest and youngest mothers and the mother with the most children. Flowers will be given to all mothers present.

The Eagles will be assisted by the Auxiliary in serving a luncheon.

## Charged With Speeding

Michael Jones, 18, of 3115 Wayne avenue, was issued an arrest ticket at East 28th street and N. 10th street Saturday evening on a speeding charge. He posted his driver's license as bond.

## Theodore Ryckman, 77, Dies; 65-Year Resident

Theodore Ryckman, 77, of 2534 Madison avenue was pronounced dead on arrival at 4:25 p.m. yesterday at St. Elizabeth Hospital. He was in ill health for a year and under medical care for an ulcer condition.

Born in East St. Louis, he was a Granite City resident for 65 years. He retired in 1957 after working for 55 years as a shearer in the hot strip department of Granite City Steel Co.

Mr. Ryckman was a member of Sacred Heart Catholic Church and Eagles Aerie 1126. His wife, Effie, died in 1943.

Surviving are two brothers, John N. Ryckman, Granite City police desk clerk, and Harry Ryckman also of Granite City; and two sisters, Mrs. Mabel Rees, and Mrs. John (Lorena) O'Brien, both of Granite City.

Funeral arrangements are given in the obituary column.

## Car Forced Into Ditch

John F. Williams, St. Louis, reported to Venice police Saturday morning that as he was driving north on Fourth street near Route 3, a car traveling in the opposite direction forced his auto off the roadway into a ditch. He escaped injury and damage to his car was minor.

The Venice city council will seek the assistance of Illinois state police radar-equipped patrol cars in aiding the city's own police force in a crackdown on speeders. It was decided at Friday's council meeting. The plan would be similar to one being carried out in Madison.

Yonkers Raceway averaged 23,199 nightly admission during its split the roadway into a season.

## Federal Court For Alton Advances

Cong. Melvin Price announced over the weekend that his legislation for holding federal court in Alton for the Southern District of Illinois was given final approval in both the House and Senate at Washington and now is on its way to the White House.

"Upon approval by the President," Price telegraphed, "I will begin seeking information on steps to take leading toward holding sessions at Alton."

Price had proposed the federal court sessions at Alton as a part of the House bill for an increase in the number of federal court judges as recommended by President Kennedy.

At the present time, Madison county residents, with a federal court in nearby St. Clair county, must travel to Springfield where sessions are held for the Southern District.

The bill was struck and injured by an auto in an alleged hit-and-run accident April 29 near the intersection of Washington and Niedringhaus avenues. She suffered a skull fracture, and is a patient at DePaul Hospital, St. Louis.

The child still suffers partial paralysis in her left leg and arm, the father said, but has at least partially recovered from unconsciousness and recognizes members of her family.

**Store Window Broken**  
A window on the west side of Michel Bros. Grocery, 22nd street and Edison avenue, was smashed with a rock last night, according to a report made this morning to police. Entrance was not gained.

**Girl Struck By Auto**  
The condition of three-year-old Margaret Ann Fries, daughter of Mr. and Mrs. Clarence Fries, of 618 Lincoln avenue, Venice, today was reported as "still critical but improved" by her father.

The girl was struck and injured by an auto in an alleged hit-and-run accident April 29 near the intersection of Washington and Niedringhaus avenues. She suffered a skull fracture, and is a patient at DePaul Hospital, St. Louis.

The child still suffers partial paralysis in her left leg and arm, the father said, but has at least partially recovered from unconsciousness and recognizes members of her family.

## Natural Causes Verdict In Edw. Parks Death

A coroner's jury returned a verdict of death from natural causes—a heart attack—at an inquest Friday night for Edward C. Parks, 52, of 2631 East 24th street, who was found on arrival at St. Elizabeth Hospital on April 16 after being found on the rear seat of his car, parked along Chouteau Slough.

Deputy Coroner Henry Peirce submitted an autopsy report during the inquest, listing the cause of death. There was testimony by Leon Hayes, Rural Route One, who said he had been riding with Parks in an auto and that Parks said he was not feeling well and wanted to lie down on the back seat.

Later Hayes and his younger brother, William H. Hayes, returned to the car, and found Parks unconscious on the back seat. The stricken man was taken to the hospital, where he was pronounced dead.

## MORE ABOUT

## Venice Council

(Continued from Page 1)

The Venice-owned McKinley Bridge.

Bids are to be opened at 4:30 p.m. Friday, June 2, on a fire truck having 750-gallons-a-minute pumping capacity. Dr. 1949 Dodge truck, oldest of the two present engines, is to be a trade-in.

The council approved specifications for the new truck, prepared by the fire department and submitted by Chief Michael Leatherman. He said they conform with standards of the Illinois Inspection Bureau and National Board of Fire Underwriters.

Dr. Delivery Next Winter. Truck delivery would take about six months, but it is hoped that present fire insurance rates can be maintained, Dr. Lee said.

The council banned parking on the north side of Broadway, from Klein street west to the intersection with Third street; south side of Broadway, from Third street west for 60 feet; south side of Broadway, from Broadway street west for 52 feet; and both the north and south sides of the 1400 block of Broadway, from the alley east to Broadway.

In addition to these full-time parking prohibitions, the council outlawed parking between 6 a.m. and 9 a.m. and between 6 p.m. and 8 p.m. daily on the north side of Broadway from Third street west to the Wash-burn railroad right-of-way. Fines of \$3 to \$25 were specified.

ICC Hearing In June

The aerial survey of the proposed highway route between the Merchants Bridge and Broadway will cost about \$1450, Edward Jurena, city street engineer, told the council. Dr. said it is to be used at an Illinois Commerce Commission hearing June 22, when the city will present cost estimates on constructing an auto traffic underpass at the Broadway crossing.

The mayor said the survey cost will be paid from the city's bridge receipts.

The council authorized Venice-Madison American Legion Post 307 to conduct "poppy" sales in Venice May 26-27 and to have a Memorial Day parade on the late afternoon of Sunday, May 28.

Public Fire School

The council also approved a one-day fire school to be conducted by Venice firemen from 9 a.m. to 4 p.m. May 28 at the year of the Legion and school buildings in the 700 block of Broadway. It will be open to the public, and there will be several demonstrations of fire-fighting techniques.

Dr. Lee called attention to installation of bunting in Venice by the fire department in connection with the Cahokia Mound Council scout fair held in Venice Friday and Saturday.

Plans were made to take action at the next council meeting May 19 on a list of residences prepared by Building Inspector Arlie Abbott, who said the owners should be ordered to make repairs or raze the buildings. The mayor said Abbott has made a comprehensive study of hazardous structures in Venice and has talked without success to the approximately six owners listed. A resolution is to be prepared by Harry E. Hartman.

Police Chief Robert Trovare reported attendance by Sgt. John Essington at a two-day conference on juvenile law enforcement.

Mrs. Lenka Kotoff, 67, Dies; Ill 4 Weeks

Mrs. Lenka Kotoff, 67, of 1724 Olive street, died at 11 a.m. yesterday at her home, after an illness of four weeks.

A native of Yugoslavia, she was a Granite City resident for 33 years and was a member of the Bulgarian Eastern Orthodox Church and of the Podkrepa Mutual Aid Society. Her husband, Pandu, died in 1947.

Surviving are two sons, George, Normandy, Mo., and Theodore Kotoff, Granite City; a brother, Theodore Apodoloff, Akron, O.; and two grandchildren.

Funeral arrangements are given in the obituary column.

## 13 Persons Hurt In 17 Weekend Accidents In Area

Injuries were suffered by 13 persons in 17 traffic accidents reported in and near the Quad-Cities during the past weekend. Four men were injured slightly in a four-vehicle pileup on the east approach of the Chain of Rocks Bridge at 7 a. m. today. Involved were two autos, a pickup truck and tractor-trailer truck.

Taken to St. Elizabeth Hospital and released after treatment were Maurice Mestemacher, 37, Maryville, Murill Harrington, 38, Ludwick Prusa, both of Edwardsville, all passengers in a car driven by Clarence Ziegler, 47, Edwardsville.

The men were enroute to work at McDonnell Aircraft plant, St. Louis. State troopers said the car was described as a local lot.

Mestemacher received a right elbow x-ray; Harrington, three stitches on his head; Prusa, who complained of a headache, x-rays; and Ziegler, neck and shoulder pains, x-rays. State troopers said the Ziegler auto was struck in the rear by a tractor-trailer truck driven by James E. Cooper, Park Forest, Ill., whose vehicle skidded on the slippery pavement.

They said impact caused Ziegler's car to ram the rear of a pickup truck, operated by Ray Woolley, Troy. The tractor-trailer knifed into the path of an oncoming car whose driver was Victor Mantia, St. Louis.

The troopers said another transport truck was stalled on the bridge, blocking one lane to traffic, but was not involved in the pileup.

Motorist Injured

Miss Shirley Mae Brazel, 26, of 112 Garasche Homes, Madison, suffered a cut lip about 5:15 a.m. Saturday when her auto struck a parked car in the 1100 block of State street, after a cinder had blown in her eye causing her to lose control.

Madison police said the parked car belonged to Eugene L. Bury, 1110 State street. Miss Brazel was charged with reckless driving and was released after posting her driver's license as bond to appear for a hearing May 20. She was given emergency treatment at the hospital.

A St. Louis woman, Miss Marie Wilson, 42, suffered a hand injury about 8:10 p.m. Thursday in a two-car accident on Route 111 at the Route 162 intersection. She was taken by ambulance to St. Elizabeth Hospital for treatment.

State troopers said she was a passenger in a car driven by Ray Barclay, 52, also of St. Louis, who was driving south on Route 111 and crashed into the rear of

## Four Records Established As Roxana Continues Domination of MWC Track

Four new records were set and a fifth mark was tied Thursday afternoon as host Roxana high school successfully defended its Midwestern conference track and field meet championship.

The Shells, perennial power of the MWC, won eight of the 14 team and individual events, but the outstanding defense by a single participant were turned in by Cahokia's Dwane Hickman, who won two middle distance running events and was first in the broad jump.

Roxana totaled 83 7/10 points, Cahokia 58 7/10, Dupu 23 1/2, Bethalto 21 4/10, Madison 16 7/10 and Highland 6. Roxana has dominated the conference meet since it was instigated 10 years ago, winning nine of the annual events.

**Jolly's Record Falls**  
Among the records which fell was one established by Deweyne Jolly of Madison in 1957. Roxana's Doug Thompson ran the 120-yard high hurdles in 15.4, three-tenths of a second new Jolly's mark.

Cahokia won five events, leaving the only remaining first place to be captured by Bethalto. The Comanches' Bob Brown took both weight events, and tossed the discus a record 154-6. A time of 1:33.9 in the 880-yard relay helped a Roxana quartet set another new mark, and the Shells' Fred Hughes ran a 23.0 time in the 220-yard dash to establish the fourth new

standard. Jim Bug of Roxana tied the existing 100-yard dash record with a 10.3 clocking.

The best efforts in Madison athletes were George Russell's second place in the high jump, and Ken Gaudin's four- and five-second places in the high jump. Wild Cooper was tied for third in the broad jump, while Madison's mile relay team ran second to Roxana.

The Trojan 880-yard relay team was third and Ed Walker tied for fourth in the high jump.

**Results:**  
100-yard dash — Bug (R), 10.3 (ties record set by Stefan of Roxana in 1956, Young of Cahokia in 1960); 220-yard dash — Hughes (R), 23.0 (new record, old record 23.1 by Stefan of Roxana in 1955); 440-yard run — Hickman (C), 53.8; 880-yard run — Hickman (C), 2:00.9; mile run — Cahokia (R), 4:54.4.

880-yard relay — Roxana, 1:53.9 (new record, old record 1:54.8 by Roxana in 1956); mile relay — Roxana, 3:38.8; 120-yard high hurdles — Thompson (R), 15.4 (new record, old record 15.7 by Jolly of Madison in 1957); 180-yard high hurdles — Thompson (R), 21.1.

High jump — Thomas (R), 5-8 1/2; broad jump — Hickman (C), 20-1 1/2; pole vault — Cade (R), 15-4 (new record, old record 14-9 set by Brown (C), 48-9; discus — Brown (C), 154-6 (new record, old record 153-4 by Dreon of Roxana in 1957).

### Roxana Wins JHS Conference Track And Field Meet

Roxana competitors established three new records in the Madison County Junior High School conference track and field meet Friday in Roxana, won by the host eighth graders.

The conference champions had 85 points, Collinsville 43 1/2, Edwardsville 36 1/2, East Alton 21 and Coolidge 15.

Mike Mounce of Coolidge scored 9 1/2 of his team's points. He won the 440-yard dash in 57.8 and second in the 220-yard dash for Coach Chuck Weiss' eighth graders.

Robertson of Roxana JHS set two marks, running the 50-yard dash in 59.9 and the 100 in 1:05. A 48-3 heave of the eight-pound shot by a Roxana competitor also established a new conference record.

Coolidge's 880-yard relay team was third, and the 440-yard relay team fifth. Jerry Line was fifth in the discus and Jerry Pittman fifth in the broad jump to account for the remaining Coolidge points.

## Alton Wins E. St. Louis Relays; GCHS Finishes 16th

Granite City finished 16th among 17 high schools which competed in the annual East St. Louis Relays Friday night, won by Alton's powerful Redbirds, who fought off the host school despite being minus several injured regulars.

Alton totaled 78 9/14 points; the runner-up Flyers had 70 1/7. Granite City failed to finish better than sixth in any of the 15 events.

The third through sixth places went to Missouri schools. DeWitt, the runner-up, had 70 1/7. Granite City failed to finish better than sixth in any of the 15 events. Prather Handed 7-2 Baseball Defeat By Cahokia Thursday

Cahokia junior high school bunched all of its scoring in three innings Thursday at Wilson Park, but it was enough for a 7-2 baseball victory over Prather JHS.

Bright spot for Conrad "Babe" Champion's athletes was the relief pitching of Larry Reader, who worked the final 3 1/2 innings, struck out the first five batters he faced and allowed only one hit.

Three Cahokia runs in the second and pairs of markers in the third and fourth frames were charged to loser Carl Haug, who gave up five hits.

The Chiefs managed only four safe blows, including pinch-hits by Art Heidke and Nick Petrilko. Heidke's three-bagger drove in Prather's final run in the sixth, after a walk, first's choice, single by Ron Hull and an error had plated one.

Prather was scheduled to play a make-up game with Cahokia Friday, but rain forced final cancellation of the contest, which had been postponed April 21 because of wet grounds. The Chiefs are scheduled in Wood River Thursday and at Collinsville on Friday.

Coolidge junior high school's tennis squad scored its 11th triumph of the waning season Thursday afternoon on the Granite City high school courts, defeating Roxana JHS for the second time this season. The final score was 3-2.

Brave victories went to Rusty Toburen and Pete Kirehner in singles matches and to Bob Lancaster and Wayne Hancock in doubles. The Braves had defeated Roxana last week, 4-1.

**Results:**  
No. 1 singles — Rusty Toburen (C) defeated Steve Smith (R) 6-0, 6-4.

No. 2 singles — Ron Leamy (R) defeated Drew Karandjeff (C) 6-2, 3-6, 6-2.

No. 3 singles — Pete Kirehner (C) defeated Mike DeWest (R) 7-5, 6-3.

No. 1 doubles — Bob Lancaster and Wayne Hancock (C) defeated Don Fricke and Jim Rhodes (R) 6-2, 6-2.

No. 2 doubles — Bill Belvens and Tom Wilson (R) defeated Jerry Walters and Bob King (C) 6-3, 6-3.

Coolidge's matches today with Edwardsville have been postponed due to rain and inclement weather. Coach Bob Whelan said this morning. The Braves are scheduled Wednesday afternoon in Wilson Park against Prather JHS.

# Warriors Beat Kahoks On 1-Hitter; Play Same Team In District Today

## BULLETIN

The opening-round district tennis tournament between Granite City and Collinsville high schools, scheduled this afternoon, has been postponed due to rain and wet grounds. CHS Principal Fred Riddle said shortly before noon.

Riddle said the Kahoks' home field probably cannot be put in playing condition at all this week, and that district games may be played at the Moonlight diamond in Troy if arrangements for use of the field can be completed. He said Granite City and Collinsville possibly could play there tomorrow afternoon if no additional rain falls.

The district tie game between the winners of the Warrior-Kahok contest and Madison would be played the following afternoon.

Granite City hurlers gave up only one hit in Collinsville Thursday as the Warriors edged back the Kahoks 7-3, but GCHS baseball Coach Joe Fedora said a still worried man.

Starter Joe Holder, a tough left-hander when he is "right," shut out the Kahoks and did not allow a hit for four innings but then lost his control and had to be lifted in the fifth, the frame when Collinsville scored all of its three runs and threatened to get back into the ballgame.

"It's the third time this season that Joe's had a no-hitter after four innings, only to have his control go," Fedora said, and added that Holder still will be depended upon during district tournament action and in games later on, should the Warriors advance that far.

## Winner Plays Madison

Granite City plays the same Kahoks today in Collinsville at 3:30 p.m. in the IHS district's first-round game. The winner will meet Madison tomorrow for the district title. Madison was awarded a bye in the blind-draw tournament pairings.

The Warriors will get little rest this week. Following district play, they will meet Edwardsville in a make-up contest Wednesday in Edwardsville. The game has been postponed twice due to rain, but will be played since it can have bearing on the final Southwestern conference standings.

East St. Louis has already clinched the SWC crown with a 9-3 mark, and Wood River currently holds second place at 8-4. Whoever wins Wednesday's game will tie the Oilers for the runner-up spot, since both

## GCHS and the Tigers stand 7-4.

Thursday's game boosted Granite City's mark to 12-4 overall, and was highlighted by Tony Mance's three-run homer which put GCHS into the lead in the top of the second. Pat Schuman, playing third base in a lineup switch, and Catcher Ken Cook had singled to set the stage for Mance's blast.

His round-tripper, first of the season, finished Kahok starter Terry Bub, but the Warriors continued to work on reliever Dick Eika.

They scored twice in the fifth on singles by sophomore Jim Cavanaugh and Larry Dick, an RBI hotshot by Bob Hefek, and Grant Takmanjan's run-producing base hit.

That gave GCHS a 5-0 lead, but Holder walked the first four men he faced in the bottom of the fifth and was 0-1 on the next batter when Fedora called in another sponore, Bill Lierman, working his first varsity game in relief, did not allow a hit in the final frame.

Meanwhile, the Warriors picked up two more insurance runs. In the sixth, Lierman was safe on an error and was sacrificed to second by Dave Sparks. Lierman took third on a bad throw after Sparks had been retired at first base, and he scored on Cavanaugh's second hit of the afternoon.

Larry Corey walked to open

the seventh and rode home on Takmanjan's one-out double for the final marker. Takmanjan is a likely starter against Collinsville today, while Holder will open against Madison if the Warriors can win the first game. Coach Glen McClanahan will go with his front-line pitcher, Dan Troits, in Tuesday's game.

## GCHS, Edwardsville Share ISHA District Net Title; Logan Is Singles Champion

Granite City and Edwardsville high school tennis teams, which tied for the Southwestern conference title in 1960, shared the 1961 ISHA district tennis title Saturday in Roxana.

Both schools totaled 11 points, and each will send representatives to the state tennis tournament in Champaign on May 19-20.

The Warriors' Bill Logan swept to the singles title in straight sets, while Edwardsville's Tom Lyons and Kit Blackmore, the Tigers' 1-2 singles players most of the season, teamed up to win the district doubles title.

Following Granite City and Edwardsville in the point-making department were Belleville with six, Roxana five, Mascoutah four and Wood River one. Bethalto and Collinsville were blanked.

Logan won the singles title by defeating Bill Niedringhaus of Collinsville 6-3, 6-0 in the first round, topping Larry Lawrence of Mascoutah 6-1, 6-2 in the quarterfinals, stopping Edwardsville's Gerald Blase in the semifinals 6-4, 6-1, and then winning the title set from Bill Leuning of Roxana 6-2, 6-3.

Mike Barnes, second singles entry from GCHS, drew a bye in the first round and then beat Stan Reeves of Mascoutah 6-3, 6-0 in the quarterfinals. He met his downfall in the semifinals against Luening, losing 6-1, 1-6, 6-2.

The GCHS doubles combination of Terry Rusick and Keith Veizer advanced as far as the semifinals before being eliminated by the state tennis tournament by default and tripped Bob Spirtas and Tom Dunck of Belleville 6-1, 6-2 in the quarterfinals, Lyons and Blackmore in the quarterfinals by Frank Connors and Bryan Smith of Belleville, 6-3, 6-3.

Lyons and Blackmore of Edwardsville downed Connors and Smith 6-2, 6-6, 6-2 for the doubles crown.

Contestants got through opening-round and quarterfinal action on Friday, and then swept water off the Roxana courts Saturday morning to complete play.

## Rain Puts Dampers On Area's Weekend Sports Calendar

Five Sunday games in the Southwestern Illinois Inter-City Baseball league, five regular games and one makeup contest in the Sunday Tavern Softball league, the Dupu frosh-soph track meet Saturday and the YMCA's track meet for boys and girls set Saturday at Granite City high school were among sporting events which fell victims to weekend rain.

The Mercer Funeral Home-Moose Lodge No. 4 contest and the Maryville-Sacred Heart game were among I-C baseball games called off on account of rain and wet grounds yesterday afternoon. They will be rescheduled at a later date.

The Tavern League experienced its second rain-out weekend, with the postponed games to be made up within the next two weeks.

The Dupu Invitational frosh-soph track and field events were postponed indefinitely, and the "Y" track meet probably will be rescheduled after school is dismissed for the summer.

Lightest player on the Cleveland Browns is halfback Bobby Franklin at 180 pounds. He's from Clarkdale, Miss.

## Littlejohn-Jones Wedding Saturday At Mitchell

The Mitchell Presbyterian Church was the scene of an informal wedding at 7 o'clock Saturday evening when Mrs. Sharon Jones, a daughter of Mr. and Mrs. L. R. Shanks, 119 Weber street, Venice, became the bride of Robert Littlejohn, son of Mr. and Mrs. R. C. Littlejohn, 1744 Spruce street.

All arrangements were simple. Rev. John N. Digiacompe officiated at the service which was followed by a reception at the home of the bridegroom's brother-in-law and sister, Mr. and Mrs. Arthur Grissman. The guests were limited to the families and a few close friends.

The bride wore a powder blue sheath dress, a white hat and accessories and a corsage of white carnations. The only attendants were Mr. and Mrs. Grissman. The latter was in navy blue accessorized with white and her flowers were white carnations.

The newlyweds will make their home in Granite City.

## Simurda-Wise Nuptials Thursday At Sacred Heart

Mrs. Sylvia Wise, 3160 Davis avenue, and Andrew Simurda, 2332 Benton street, were married Thursday at Sacred Heart Catholic Church.

The ceremony was solemnized at 6:30 Mass with the Rev. William Wand officiating.

The bride wore a dress of beige lace over taffeta and bone accessories. A beige flowered hat and a short veil with scattered set-in pearls completed the costume. Her flowers were white carnations in a corsage.

The only attendants were Mr. and Mrs. Frank Hacketh, a brother-in-law and sister of the bride. Mrs. Hacketh was attired in a two-tone green tweed suit with white accessories and a corsage of green carnations.

The former Mrs. Wise is a daughter of Mr. and Mrs. Joseph R. Whyers, 4917 Maryville road. Mr. Simurda's parents are Mr. and Mrs. John Simurda, 2532 Benton street.

Mrs. Whyers wore a larkspur blue lace dress, while Mr. Simurda's mother was in navy blue taffeta. Both selected white accessories and white carnation corsages.

A wedding breakfast was held in Wood River and a reception followed for the immediate families at the Simurda home on Benton street. Pink and white together with large white wedding bells, decorated the room and a large tiered wedding cake centered the reception table.

The newlyweds will reside at 3160 Davis avenue when they return from a wedding trip.

## 'Candy Land,' May Queen Coronation At GCHS This Week

A wonderland of confections will unfold on the Granite City high school auditorium stage at 8:15 p.m. Thursday and Friday as the GCHS girls' physical education department presents its annual "May Day" production.

The theme of "Candy Land" will be followed throughout the varied program, which will be inaugurated by the traditional May Queen coronation ceremony.

A "Divinity" atmosphere will prevail as the evening begins with a procession of girls in the top senior class of the school. After they reach the stage, Miss Carolyn "Cookie" Sparks will be crowned as 1961 May Queen.

Crowning By Harvest Queen

Officiating at the coronation will be Miss Catherine Schaefer, 1950 Harvest Queen, who was crowned at the GCHS Homecoming last fall.

Miss Sharon Reinhardt will be first attendant to the May Queen, with Miss Geraldine Strickland as second attendant.

The program will begin with a puppet dance, "Button Candy," by the first hour sophomores; class: tossing of bouncing balls, "Bon Bons," by fifth hour sophomores; modern dancing, "Log Rolls," by the after-school modern dance group; rope jumping, "Licorice Twist," by third hour sophomores; exercises, "Taffy," by fourth hour sophomores; and juggling, "Jelly Beans," by second hour juniors.

Skills with gymnastics apparatus will be demonstrated in a

"Pop Corn" number by the Girls Athletic Association after the folk dances, "Fiddlers' Delight," "Swiss Chocolate," by sixth hour juniors; a march, "Rock Candy," by the seventh hour juniors; a circle dance, "Sugar Dates," by first hour juniors; and stunts, "The Candy Corns," by the after-school tumbling group.

Deck tennis rings entitled "Jelly Rings" will be formed by third hour juniors, while second hour sophomores will perform square dancing in "Candy Corn" number.

Roller skaters of the seventh hour sophomore class will perform "Tootsie Roll Pope," and school students.

The after-school tap dancing club will tap dance to "Candy Cane." An Indian dance, "Fire Sticks," will be given by fifth hour juniors; folk dancing, "Reel Rats," by sixth hour sophomores; and marching, "Life Savers," by fourth hour sophomores.

**May Pole Ceremony**

Climaxing the program, to be given identically on the two nights, will be a May pole ceremony, "Ribbon Candy," by girls of the low senior — January 1962 — class.

Tickets, handled by the student body, have been sold and full attendance is anticipated.

A matinee performance will be given at 4 p.m. Wednesday for elementary and junior high school students.

## United Fund Revives Labor Agency; Seeks Unit Director

The United Fund board of directors approved Thursday afternoon a resolution re-establishing the AFL-CIO Community Services Agency on a permanent basis and voted to seek a director of the unit.

John Solenberger, executive secretary of the UF, said the director is to be chosen from the labor ranks on a temporary basis for the balance of this year. The position will become permanent on Jan. 1, 1962, he said.

The agency will operate from the unspent funds of its share in a co-sponsoring program with East St. Louis and Alton, who withdrew earlier this year, causing the local UF to reinstate it on a local level.

The unexpended portion amounts to more than \$290, which will be placed into the UF's treasury. The Tri-Cities budget portion of the defunct agency was \$350.

Salary Set At \$6500

The board set the annual salary of the labor agency head at \$6500 and voted to allocate additional funds to cover travel and other expenses. The salary is proposed for 1962.

Applicants for the job are to be secured by Solenberger and Edwin Reiske, president of the Tri-Cities Labor Council. The two men will screen all applicants and attempt to fill the post by June 1.

The job entails counseling service in the health and welfare program among the labor organizations and enrolling members of the units during the annual United Fund campaigns.

Action to reinstate the program came when a need was expressed following a meeting of a United Fund committee and committee of the labor council.

Two meetings were held earlier and a representative of the national UF association was called in. Acting upon the recommendations set down by the agent, the local UF committee in accordance with the labor committee voted to renew the agency.

The report was given at the Thursday meeting by Rev. Calvin Marcum, president of the board, who presided.

Members of the UF committee were H. F. Karandjoff, Milton Morris, and Al Mueller Jr. On

**PLANTING EVERGREENS** at Venice high school are members of the student council and a school board official, who set 59 shrubs Saturday along the front of the school building. The cool, sponsors of the planting project, also plan to reseed the front lawn. Left to right are Edward Eloy, Mike Colander, William Hoover, students, and Roy Musick of the school board.

**Hit-Run Accident**  
Bobble L. Fink, 25, of 2865 Iowa street, reported to Granite City police Friday afternoon that the left rear fender on his station wagon was damaged while the vehicle was parked on the Kroger Market lot, N. Main and Clark avenue, and was struck by a hit-run vehicle which had been backed out of a parking space.

the labor committee were Reiske, Gilbert Sykes and Theodore Moran.

**Social Planning Report**  
In other action, the board heard a report from Arthur D. Roseman, chairman of the Social Planning council, stating that \$1412 had been spent so far this year for the medically indigent. The sum represented money expended to aid persons with medical problems who could not handle the expense themselves.

Roseman also was re-elected chairman of the council, and new officers named were William A. Coyle, vice-chairman and Mrs. Theodore Overbeck, secretary.

Solenberger reported on the United Fund Institute conducted the Carbondale Wednesday to discuss methods to boost strength of existing funds and ways to implement organization of new funds.

It was co-sponsored by the United Community Funds, Councils, and Chests of America and the Illinois State Association of Councils, Funds and Chests. Host was the Southern Illinois Association of Chests and Funds.

During the workshop, Walter Klostermeyer, assistant to the director of industrial relations of Granite City Steel Co. who was chairman of the government committee of the local campaign last fall, talked on organization and problems encountered during the drive.

Solenberger acted as consultant in the session.

Louis, freed on bond after being bound over to the grand jury. A third suspect is expected to be questioned. About \$60 was taken from 801 Main street at his station at Hoot Main street.

Safecrackers netted \$2003 and \$514 in currency and coins and \$1119 in checks — after entering through the roof at the Madison Auto Parts, 1020 Madison avenue, Madison, between 6 p.m. Thursday and 7 a.m. Friday.

An investigation by Madison police showed that the burglars removed the paper and piled boards loose to create a 14x16-inch opening in the roof of the store, over the warehouse section.

Dropping to the floor, they forced open an interior door and entered the office, where they knocked the combination of a metal safe. They then moved it into the warehouse, beat and pried on it and heaved it open. The \$2003 loot came from the safe.

They apparently left by way of the opening in the roof, located at about the center of the building. The investigation is continuing.

**Recover Stolen Aluminum**  
A theft occurring the same day was thwarted Thursday by Madison police, who recovered aluminum valued at over \$300 and turned it over to owner, Dew Metal Products Co.

Nine aluminum cylinders, each weighing about 100 pounds and worth 25 cents a pound, were recovered from the trunk of a 1952 Buick Wildcat on East Park road. Police saw two men flee from the car, and an investigation is continuing.

An apparent theft attempt had been reported initially after a Dow watchman found pieces of aluminum outside the plant fence. An hour later, police were checking at Englewood, Route 674 and passed the 1952 car, which was in motion.

When the officers looked back, they saw that the car had halted and two men were running.

Going to the vehicle, stopped near a tavern, the police looked under the trunk lid and found the 20-inch-diameter, four-inch-thick pieces of metal, known as "aluminum butts." They had the vehicle towed to a garage, and Dow Metal Products representatives took charge of the aluminum.

**Two Charged With Burglary**  
Burglary and larceny warrants were issued this morning against Bobby S. Randolph, 19, Collinsville, and James Dale Alexander, 18, a painter who resides at the Engineer Depot, in connection with burglary of the apartment of Clifford Dunham at 10214 Grand avenue, Madison, April 5.

At the time, jewelry worth \$300 and \$7 in currency were reported missing.

A Madison police investigation of the burglary was completed yesterday, when the two were taken into custody for the department by Granite City police. Both gave signed statements to Madison officers admitting participation, police said.

The two were in custody this morning at the Granite City police station. The warrants were issued by Justice of the Peace Harry E. Hartman on a complaint signed by Assistant State's Attorney John Gitchoff.

**Stolen Car Trio Caught**  
Three teenage youths from the Quad-Cities and Collinsville were arrested about 4 a.m. Sunday when they returned to a parked car that had an hour earlier been reported stolen in Granite City.

The trio was taken into custody on Main street at the McKinley Bridge approach. They were turned over to Granite City police. Police Chief Raymond Wilkett said statements by the youths have been submitted to the state's attorney's office.

## Madison Fire Dept. Re-Elects Officers

Madison fire department members re-elected their officers for the 1961-62 fiscal year at an annual meeting Thursday evening at the Madison city hall.

Those continuing in office will be Elmer Smith, president; John Belloff, vice-president; Benjamin Boosworth, secretary; and Edward J. Miller, treasurer and chief.

## Fines Levied In Venice Assault, Traffic Cases

Raymond Green, 5494 Mercedia street, was fined \$30 Saturday by Venice Police Magistrate Wesley Edwards on an assault and battery warrant filed May 3 by Ollie Mae Boyd.

## 5 State Superior Music Ratings

Superior ratings in state instrumental music judging were attained Saturday by Guy Lahr, cornet soloist, and a cornet trio, flute trio and mixed clarinet quartet, all from Granite City high school, and a Venice high school baton twirler, Joyce Daniels.

The cornet trio consisted of Lahr, Ted Schaefer and Kenneth Miller; the flute trio, Janice Gardner, Nancy Duncomb and Leslie Koles; and the quartet, Donna Scher, Elaine Lux, Barbara Newhouse and Walter Mathis.

GCCHS students receiving excellent ratings were Guy Lahr, cornet soloist, and a cornet trio, flute trio and mixed clarinet quartet.

Lavonda Barham, Madison high school oboe soloist, received an excellent rating, as did the Venice high school band, playing as a group, and a Venice high B-flat clarinet quartet, Betty Jo Turner, Marjorie Fritter, Theresa Bauer and Phyllis Hawkins.

Granite City and Madison students competed at Granite City and the Venice musicians at Jacksonville.

## The FORUM

### SUGGESTS CHANGES IN CITY PROCEDURES

Mayor Leonard Davis, Alderman Sam W. Shackelford, Alderman Cammer Skubish and Interested Forum Readers

As a taxpayer and voter in this community I wish to submit and urge action on these recommendations to our newly elected administration. I urge other citizens to take an active interest in our local government and submit your opinions and suggestions to our city council. Let's try to develop a financially sound and efficiently operated system for public interest and not for personal gain!

Investigate and revise the dogcatcher department. As it now operates, the job is not done effectively, and it is a financial waste. By their own admission to personally the dogcatcher and the police magistrates do not cooperate in enforcing these laws. A system by which the dogcatcher would be paid by violation enforcement seems more financially sound and action would be more assured.

Redistrict City and township precincts to decrease election costs. List on registration of voters for city elections — why take chances? Be sure our election board workers know election laws and rules.

Give the Sixth Ward, which has grown so greatly in size, a fairer representation in the city council by either creating another ward or providing legislation to allow the ward of its size another representative.

Do not encourage "padding" the township on the East Side Levee Board. Whatever its prime function is supposed to be, its urge placing this responsibility into an efficient department and make every effort to get rid of this board which from all reports is a worthless, undesirable mess!

Please explain to the taxpayers' satisfaction our fire insurance rates as questioned in the recent political campaign — our rate far exceeds that of Madison which operates under a voter system.

Give us a more efficient and financially sound government by operating with needed services and not padded payroll employees. If our city officials would only earn more attractive salaries, the taxpayers would be more willing to afford more attractive salaries.

Keep "politics" out of our school system!

Yours very truly,  
MRS. DORIS N. MANN

### SAYS CHANGE IN MORAL VALUES NEEDED IN U.S.

The Forum  
Granite City Press-Record,  
Granite City, Ill.  
Gentlemen:

The recent jailing of a few corporate junior executives brings up a question. Didn't the corp. president know what the V.P. and sales managers were doing? If he did know, did he approve? If he didn't know, why? If he did know why wasn't he jailed also.

Another question. Why assume that monopolistic and price fixing deals are limited to one industry? Are the executives of one industry any different from the rest? What about the manufacturers of milk, bicycles, shot guns, cap pistols, tooth picks, mouse traps — and airplanes?  
— Aren't they aggressive and am-

bitious also? But now the \$64,000 question. Will regulations and investigation stop monopoly and price fixing? We think not. From the traffic violator who gets his ticket "fixed" to the industry executive who gets his price fixed is just a short step in the field of human morality. Only a national change in moral values will change the price fixing structure. Jailing a few V.P.'s a few days might help but we're doubtful. So it looks like we're stuck. Educators, teachers, preachers, economists have been on this project for several hundred years with no noticeable progress. The world attitude seems to be "It's alright to fool people if you get paid and don't get caught."

Yours truly,  
OMAR MIDYETT

### ESAs OBSERVING WEEK; POINTS TO LOCAL PROBLEMS

Dear Reader:

This is national E.S.A. week as proclaimed by the Governor of Illinois and other state governors. E.S.A. is the abbreviation for Epistola Sigma Alpha, an international non-academic sorority. We have two chapters in Granite City — Beta Phi and Epsilon Eta. Our sorority has a three-fold purpose — educational, social and philanthropic.

We would like to mention some of the philanthropic projects our two chapters have undertaken during the past year. Our Illinois state project is the Heart Fund and we worked on the local drive by placing canisters in business establishments throughout the city and by acting as an area captain during the Heart Sunday Drive. We made a \$50 donation to the Salvation Army Tree of Lights, helped a family at Christmas time with gifts of toys and clothing and aided the Madison Nursing Home at Christmas.

We finished paying off our hospital building fund pledge, contributed to the vocal music department of the high school and the Goodie Junior High School Latin American Band. We gave an Easter egg hunt and party for the mentally retarded children's classes and made Easter favors for the hospital. We sent a boy to Scout Camp and sponsored a Khoury League baseball team. In our own behalf we made a donation to our E.S.A. home and our international disaster fund and contributed to one of our sister members who is in financial need due to an automobile accident.

The only right an E.S.A. member has is the right to be of service. We try to be good citizens of our community and our nation by serving wherever we are able.

### PRICE-FIXING CONFUSION

Corby:

I was not questioning the legality of wage fixing — but merely expressing my confusion over the apparent differentiation between products and services under our present laws.

Standardized prices seem to be commonly accepted in the service lines, (TV repairs, for example) yet standardized prices among the makers of the sets is frowned upon.

I am not being critical in any way, just wondering why.

Yours,  
OMAR MIDYETT

### Rev. Surbey To Speak At Mo. Valley Synod

Rev. Paul Surbey, pastor of St. John's United Church of Christ, will give the main address at Tuesday's session of the Missouri Valley Synod in St. Louis, serving as denominational representative to outline the new United Church of Christ constitution for the delegates.

Rev. Surbey returned Friday night from Easton, Pa., where he served in the same capacity for the Eastern Pennsylvania Synod, whose delegates voted 80-to-2 in favor of the constitution for the merged Evangelical and Reformed and the Congregational Christian Church.

The Missouri Synod delegates also are to vote on the new constitution.

**Granite City Gets Suspended Sentence**

Circuit Court Judge James O. Monroe Jr. sentenced Donald R. Carney, 26, of Granite City to a suspended three-year term upon his conviction of burglary and larceny charges during a hearing Thursday at Edwardsville.

Carney, who will spend the first three months of his probation period at the State Penal Farm, Vandalia, was convicted of breaking into Branding's Service Station on or about March 9 of this year and stealing trading stamp books valued at \$6.75, and also of breaking into the Wabash Tavern and stealing \$25 worth of whiskey on or about the same date.

Also convicted of burglary and larceny on the same counts was Luther B. Maxwell of Granite City, who was reported ill and was not present at the hearing. His hearing was continued until the next probation hearing.

Judge Monroe also sentenced Eddie Umress and Robert L. Moore, both listed as St. Louis residents, to 1-2 and 1-3 years in the state penitentiary on their conviction of armed robbery of a motorist who gave the pair a ride near the Chain of Rocks river bridge. They forced him to give up the car at gunpoint. They were apprehended by Edwardsville police after abandoning the car there.

ELM AND DALE AVENUES, the street sign says at this intersection in the Glenview area, one of the many flooded intersections in the city yesterday. Water was over the sidewalk and into the yards.

STALLED CARS, like those at the right, were in evidence throughout Granite City yesterday when 3.07 inches of rain fell in a 24-hour period, flooding streets in all sections of the city. The above view was taken looking east on East 20th street at Quincy street.

scheduled industrial and harbor development.

Seek Route Three Widening Committee Chairman A. W. Morris III also cited as a potential problem the two-lane section of Route Three between Nantoni road, to be widened to

four lanes, and the four-lane interstate highway crossing Route Three near Mitchell. It was decided to seek a four-lane roadway for this area of Route Three to avoid congestion.

No action was taken after a brief discussion of the lack of an overpass to avoid railroad crossing delays for vehicles moving westward from the main section of Granite City. City Engineer David J. Johnston cited financing as the main problem.

Edward Juneau, Venice city street engineer, outlined the city's hopes for the riverfront road's route through Venice but said it will be 30 to 45 days before a survey can be completed on the cost of an auto underpass at the Broadway railroad crossing.

## State Capitol NEWS

More than 100 groups and organizations in the state, spearheaded by the Illinois Association of Mental Health and the Illinois Department of Public Welfare, have joined forces this week to focus attention on state and local resources which may be utilized in the fight against mental illness.

"An emphasis this year is on careers in mental health," said Dr. Francis J. Gerty, state welfare director. "Young people who are planning their future now are especially invited to visit and

talk with the staff of our mental hospitals and schools so they may become more aware of the rewards and satisfactions that a career in mental health brings."

A total of 88,029 marriages took place in Illinois during 1960, the Illinois Department of Public Health reported last week. This is an increase of 748 over the 1959 total, the department said.

Divorces during 1960 numbered 21,652, a decrease of 914 from 1959. Marriage annulments totaled 218, an increase of 84 over 1959.

A three-point program for weed control is pointed out to Illinois farmers by the state Department of Agriculture.

1—Plan to kill all weeds now present and prevent them from producing seed. This includes crop land but also non-cultivated land such as fence rows, gardens, pastures and roadsides. A four-foot strip of fence row one-half mile long is only one-fourth acre but will produce millions of weed seeds if left unattended.

2—The weediest land should be planted in crops, such as corn, where weeds will be easier to control. Soybeans should be planted on the cleanest ground. Pre-emergence chemicals should be used for annual grass problems.

3—Plan a good sanitation program to keep new weeds out. Plant only "certified" seed and buy clean feed for livestock to prevent spreading the weed seed in manure.

William T. Larkin, superintendent of the Division of Plant Industry, said it has been the general rule to plan weed control only for specific crops and thus neglect the advantage of a "total" weed control program.

"So much publicity has been given to the long life of weed seeds in the soil that many farmers believe they will always have weeds," Larkin said, "but normal cultivation gives weeds several chances each year to germinate so that their normal life in the soil has often been exaggerated."

Use of present day chemicals gives the future of weed control a brighter outlook, he said. The principal factor is attention and planning by the farmer.

Low bids totaling \$26,762,000 on highway construction projects in 48 counties have been received by the Illinois Division of Highways. This is the largest highway construction bid letting of the year to date.

Gov. Otto Kerner has expressed approval of the passage by Congress of the Area Redevelopment Bill.

"I was happy to learn the bill passed both houses and will be signed by President Kennedy," Gov. Kerner said.

The governor said Frank A. Kirk, manager of the Herrin office of the Illinois Division of Industrial Planning and Development, is working with area leaders on other projects that are still in the planning stage.

"We will, however, avail ourselves of the technical assistance through research projects in areas of chronic labor surplus, under the Redevelopment," Gov. Kerner said.

Raymond W. Turner of Versailles (Brown county) has been appointed institutional farm supervisor for the state institutions in the southern half of Illinois.

A rock 'n' roll contest, a disc jockey show and an evening dance to live music will be new features at the 1961 Illinois State Fair.

Cash awards, trophies, medals and a chance for a contract with a national recording firm will be among the prizes.

The disc jockey cavalcade will feature the appearance of well-known Illinois disc jockeys who will spin their platters and conduct a dance program for the young set.

The evening feature will be dancing to well-known bands with a disc jockey acting as master-of-ceremonies. The roof garden of the Illinois Building at the main entrance of the fairgrounds is to be transformed into a glamorous dance area.

That said the rock 'n' roll competition will be open to any youngster who has passed his 10th birthday and not yet reached his 20th birthday.

**Madison Street Worker,  
John Rosse, Retires**

Retirement of John Rosse, 63, a sanitation worker on the Madison street department, was announced over the weekend.

Rosse, who worked on the department nine years, said he plans to do work on his home at 1223 Iowa street.

Paul Horning of the Green Bay Packers set a new National Football League scoring record last season with 176 points. He made 15 touchdowns, kicked 41 extra points without a miss and had 15 field goals.

## Daybreak Optimists Nominate Officers

A nominating committee for the Daybreak Optimist club submitted a proposed slate of 62 officers Saturday morning during the club's meeting at the YMCA.

The committee's recommendations were David Larkin, president; Fred Schwartz, vice-president; Irvin Slate, secretary-treasurer; and Charles Rodell, sergeant-at-arms. Proposed as members of the board of directors were Sigmund Fredericks, Paul Rutledge, Bob O'Brien, David Bilsing and Robert Moske. A club election will be held prior to the third week in June, when installation ceremonies are planned at Augustine's restaurant, Belleville.

Guests of the Optimists Saturday morning were Robert Butler, winner of the Optimists' district eight oratorical contest; Warren Nash, newly elected "Youth Governor" of Illinois; and Miss Patricia Mega, youth director at the YMCA.

Miss Mega and Nash explained the "youth in government" program which has been carried out in the state for the past 12 years in an effort to better acquaint teenagers with the workings of local and state governments.

## Explorers Return From Regional Conference

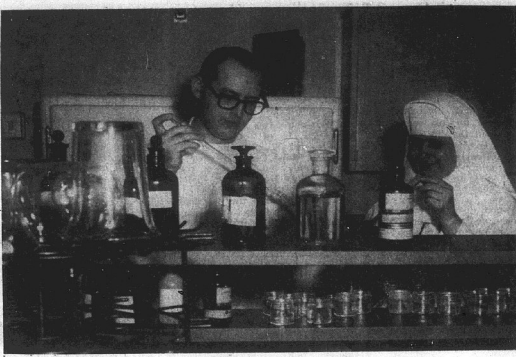

The Cahokia Mound Boy Scout Council had the largest representation, 60, based on council size of any delegation at a regional explorer conference during the weekend at the Great Lakes Naval Station, Chicago.

Attendance by high school-age boys totaled 2500. Led by Unihav District Executive Dan Brown, the group returned here by bus last night. Kenneth Black of Granite City Steel Post 94 took part, in addition to those registering earlier. Principal speaker, Kansas City Mayor H. Roe Bartle, stressed that character of America's young people is more important than the space race.

## 25 YEARS AGO

The following items were taken from the files of the Granite City Press-Record:

Accepting the recommendations of its teachers' committee, the Venice board of education by a vote of 4-2 adopted a revised salary list which adds one more teacher to the faculty for next school year.

The Granite City public library finished the fiscal year April 30 with \$3772 cash on hand. During the year 1457 books were added, making total circulation of books and periodicals, 132,692.

The season's outstanding track and field event will be held Saturday at Community High school when more than 200 athletes representing 35 high schools in the adjacent 13 counties will compete for a chance in the state finals at Urbana later this month.

George Simon, highway commissioner of Nameoki township,

announced Tuesday afternoon that he had received official notice from WPA that the township's road project had been approved and that work would begin on May 18.

The project includes ditching and resurfacing of 41 miles of dirt roads in the district and will employ 116 men. It is expected to be completed within five months.

Preliminary steps for paving and resurfacing six Granite City streets, including two blocks on Delmar avenue, from 23rd street to 25th street, were taken by the city council Monday. Other streets included are the center of Niedringhaus avenue from Madison avenue to Cleveland blvd.; Rock road from West 20th street to West 22nd street; 22nd street from Missouri avenue to Benton street; 30th street from Grand avenue to Madison, and from Iowa street to Washington avenue; 27th street from Grand

## Mental Health Society Hears Dr. Lam, Elects

Dr. Robert Lam, psychologist and neurologist in private practice and a member of the faculty of Washington University's School of Medicine, discussed several mental health problems facing the nation today in a speaking appearance before the Madison County Mental Health Society's annual meeting held Thursday night at the Elks Club here.

Dr. Lam discussed brain damage in children and the need for special educational facilities for these children, the need for selectivity in what children see and hear through entertainment media, the interdependence of psychiatry, religion and medicine, the problems of aging and what he called "the immediate need for local communities to assume their responsibility as communities for the treatment of emotionally disturbed and retarded children."

Stance Crouch, executive director and psychiatric social worker at the society's Alton clinic, announced that Dr. Robert Leiter, psychiatrist, will join the staff of the Granite City clinic on a part-time basis in July.

Officers elected by the society for the coming year were Mrs. Earl Gaylord of Alton, president; Dr. Felicia Koch of Granite City, vice-president; Mrs. Vera Luttrell of Edwardsville, secretary; and G. W. Hoelscher, Granite City, treasurer.

New board members are Arthur Christy of Madison, Atty. Morris Chapman and Elmer Dehn of Granite City, Mrs. Laramie Engleke of Worden, Monte Jacoby, Dr. Cameron Morell of Alton and Mrs. Paul Simon of Troy.

## Recordings Boost GC Library Circulation

Circulation of the Granite City public library increased by more than 14,000 during the 1959-60 fiscal year, with part of the gain attributed to the addition of phonograph recordings in November, an annual report by Librarian Mrs. Mary Gene Kunkin showed today.

The fiscal year closed April 30. Granite City and non-resident patrons numbering 20,089 borrowed 130,044 volumes from the library and 98,718 from the bookmobile unit, for a total circulation of 208,822.

The mobile unit serves 12 elementary schools not in walking distance of the downtown library and has stops in five neighborhood areas.

The 1959-60 circulation figures were 102,452 and 92,184, amounting to 194,636 loans.

**3457 Books Added**  
The library added 3457 books to its shelves during the year and purchased 244 recordings ranging from Mother Goose Rhymes to grand opera. Five newspapers and 100 periodicals also were added.

Book volumes increased to 55,444 in comparison to 53,000 the previous year, the report showed, also indicating that 571 of the total were lost or not turned in. Of the 244 recordings, only four were listed as missing.

Also available at the library was the film showing Granite City as an All-America community. It was estimated that 1558 persons from 18 organizations saw the movie. The movie is on hand for use of any group in the area.

**Movies, Cartoons, Visits**  
The movie "Meet Mr. Lincoln," and children's cartoons were shown eleven times and 135 persons on school tours visited the library.

An increased budget, the report stated, was listed as the reason for additions in all departments.

Among the additions were the encyclopedias, "The 1960 Junior Britannica," "Book of Pop Culture," "Great Books of the Western World," and "McGraw-Hill Encyclopedia of Science and Technology."

"The 20th Century Encyclopedia of Catholicism" was presented by the library to the Knights of Columbus, Tri-Cities Council 1098, and a complete set of "Luther's Works" was given by the Lutheran Bureau of the Tri-Cities.

Physical alterations performed on the interior included rearranging of the juvenile department, adding shelves, and a magazine rack and chair for the children's desk.

## Open House At Depot May 20 For 'Armed Forces Day'

Armed Forces Day will be observed at the Granite City Engineer Depot on Saturday May 20 with an "open house" to start at 9 a.m. with all Quad-Cityans invited to view special events and displays.

The community-wide invitation is being extended by Col. Jack C. Jeffrey, depot commander who said the observance will start with a short program on the parade field followed by the ceremonial firing of a recently rebuilt Civil War cannon and a performance by the depot honor guard and drum and bugle corps.

Immediately after the program, conducted tours of the depot will begin, taking visitors through the headquarters, warehouses, maintenance shops and troop mess halls and barracks.

Members of the staff include Mrs. Mary Gene Knifinke, librarian; Mrs. Sarah Schroeder, assistant librarian; Mrs. Wella Mawdsley, children's librarian; Miss Louise Hendricks, first desk assistant; Mrs. Joyce Walters, second desk assistant; Mrs. Marie Mawdsley, bookmobile librarian; Charles A. McCollum, bookmobile clerk and driver; Charles E. Floss, custodian; James Shillato, part time custodian.

Members of the library board are: J. P. Jordan, Mrs. Henry Lueders, Gerald Walters, vice-president, Mrs. Gabrielle Lueders, George E. Floss, Mrs. Amos Rode, Henry George and City Judge Fred P. Schuman.

She heads for the store with the good lighting

The lady means business!—and she's taking her business to the store with modern lighting. Who could blame her for passing up dingy, poorly lighted stores, however good the values they offer? Mrs. Housewife likes to see what she's buying. (Studies show she'll buy more, too, in attractive, well-lighted surroundings.) Of course, increasing sales is only one reason for modern lighting. But can you think of a better one? Ask your electric contractor for a light meter check-up.

## Rain Holds Off For Scouting Fair

Downpours of rain on both days of the 1961 Chobok Mountain Council Scouting Fair held off long enough for crowds estimated at 9000 to 10,000 persons to visit the 80 indoor and outdoor exhibits.

The fair was open three hours Friday evening and from 1 to 10 p.m. Saturday at the Venice-Madison American Legion Home, the Venice Boy Scout building next door and the Venice school, with a number of exhibits in tents and outdoors.

Attractions including a full range of Scouting activities, from displays of neckerchief slides to the art of outdoor tossing of flapjacks; and while most of the Scouts of the council are doing, a large number of parents and older brothers and sisters showed keen interest.

A special attraction was the Venice Explorer Post One photography exhibit. Visitors pictures were taken, and the film processed and printed before they left.

Pictures of the Fair accompanying this item were taken by Michael Lopez, a member of the post, who said he was unable to take one of his own booth to make him run out of flashbulbs.

## Miss Peggy Diana Wallace, Franklin D. Bickel Are Wed

Miss Peggy Diana Wallace, a daughter of Mr. and Mrs. Marshall Wallace, 2033 Sherman avenue, and Franklin D. Bickel, whose parents are Mr. and Mrs. William F. Bickel of Collinsville, were married Saturday evening at the First Methodist Church in Collinsville.

The Rev. Robert Simpson heard the vows of the couple at 7:30 in a setting of candlelight and greenery, and the bride's parents held a reception after the church service.

Wedding music was furnished by Mrs. Jessie Harper, organist, and Mrs. Beverly Spicuzza, soloist. The songs were "The Lord's Prayer," "O Promise Me" and "Because."

Mr. Wallace gave his daughter in marriage. She wore a gown of white silk organza with a scooped, lace neckline. The skirt, which had bustle back and wide panels of satin, was trimmed with lace appliques, ending in a chapel train.

A cap of silk organza embroidered with seed pearls held in place a veil of tulle and tulle, white roses, and lilies of the valley entwined with ivy, were combined in the cascade bride bouquet.

A matron of honor, Mrs. William Rainwater, sister of the bride, and two bridesmaids, Mrs. Gary Nance and Mrs. Keith Kaler, preceded the bride.

Miss Wallace and her father down the aisle. They were gowning in white silk chiffon. Small satin ribbons centered with pearls adorned the full skirts and they wore small matching hats and carried bouquets of white and yellow daisies.

Judy Smith, a niece of the bridegroom, who served as flower girl, wore a white satin frock and carried a basket of rose petals. The rings were carried by Dennis Mullikin.

Mr. Bickel's attendants were Gary Nance, best man, and William Rainwater, Louis Bickel, a brother of the bridegroom, Larry York and James Platts, roommen and ushers.

For her daughter's wedding, Mrs. Wallace wore an orchid-linen sheath dress, while the bridegroom's mother was in blue. Both wore white accessories and orchid corsages.

After a wedding trip through the south, the newly-wedded pair will reside at 2033 Sherman avenue. The bridegroom is employed in East St. Louis. Mrs. Bickel is attending an East St. Louis beauticians school.

MR. AND MRS. FRANKLIN BICKEL, who were married Saturday evening at First Methodist Church in Collinsville. The bride is the former Peggy Diana Wallace, a daughter of Mr. and Mrs. Marshall Wallace, 2033 Sherman avenue.

## WCSA Annual Spring Teas At Wesley Hall

The annual spring teas of the Woman's Society of Christian Service of Nidringhaus Memorial Methodist Church were held Thursday afternoon and evening in Wesley Hall of the church.

The program in the afternoon consisted of a piano prelude by Mrs. Geneva Miller, followed by three solos by Warren Simpkins, accompanied by Mrs. Simpkins. The selections were "May Day Carol," "Think On Me," and "A Little Song of Life."

The speaker, introduced by Mrs. Beverly Barnett, program chairman, was Mrs. William Warner of East St. Louis. She reviewed the book "Don't Eat The Daisies."

Mrs. Minnie Frohardt, president of the WCSA, announced the new afternoon circle leaders and the circle members.

Punch and cookies were served from an attractively appointed tea table decorated with African baobabs in varying shades of green and white.

The prelude at the evening meeting was by Mrs. Simpkins, and Mr. Simpkins sang many numbers selected for the afternoon tea.

Mrs. LeRoy Pittman, who was introduced by Mrs. Barnett, spoke on the topic "Serving God." Announcement was made by Mrs. Frohardt of the evening circle leaders and members.

The refreshment committee was made up of Mesdames Sarah Best, chairman, Pearl Campbell, Nina Watson, Helen Younger, Virginia Wolfe, Betty Williams and Ruth Johnson.

Approximately 100 members and guests attended the two affairs.

## Pot Luck Luncheon For Church Group

A pot luck luncheon at noon was a feature of the regular meeting of the day Missionary Society of Mt. Zion General Baptist Church Thursday at the church, 21st and Benton streets.

The meeting opened with group singing led by Mrs. Wanda Reinecke, followed by prayer by Mrs. May Moss and the business session led by the president, Mrs. Virginia Collins.

The topic for the day was "Community and Disunity." The lesson was presented by Mrs. Sawyer.

Mrs. Reinecke reported on the III-MO Missionary Conference held recently in St. Louis and Mrs. Flo Monroe discussed the life and work of Rev. Edward Stevens, a General Baptist missionary on Saipan. A film strip, "Growing As We Grow," was shown by Mrs. Collins, who gave a commentary on the picture.

After the closing prayer by Mrs. Zervus, refreshments were served to two guests, Mrs. Shirley Wren and Mrs. Irene Hull, and eight members.

## ATTEND CONVENTION

Attending sessions of the annual state Baptist Training Union convention in Carbondale over the weekend from this area were Mrs. Chester McManaway and daughter, Nancy, Mrs. Nora Rogers, Mrs. Tom Hobbs, Mrs. Harold Ratliff, Rev. and Mrs. Kenneth McDaniels, and Mrs. Earl Phelps. ## ATTEND ACADEMY OF FRIENDSHIP SESSION

Local Women of the Moose attended the Academy of Friendship session in St. Charles, Mo., Sunday.

The trip was made by chartered bus and 28 were in party, including 13 candidates for the Academy of Friendship degree.

The latter were Mesdames Julia Barnes, Sheila Parnell, Marion Coleman, Hazel Emery, Marion Lipscomb, Maxine Little, Gladys Markovitch, Imogene McAvoy, Birdella Neumann, Edna Miller, Frances Polley, Ethel Thomas and Leitha Worth.

## RETURN FROM FLORIDA VISIT

Mrs. Betty Welsh, 3001 Dale avenue, returned Saturday from Pensacola, Fla., where she spent the past week with Mr. and Mrs. David Borth, former Granite Cityans, who are the proud parents of a son, their first child, born April 28. The baby weighed nine pounds, 14 ounces and has been named David Lynn.

Mrs. Borth is the former Sharon Welsh, a daughter of Mr. and Mrs. James Welsh, 3001 Dale avenue, who returned from this area with Mrs. Betty Welsh.

A dessert course was served after the meeting to Miss Anita Kierhoff and Mesdames John Farnham, Harold Kohl, Vasil Etimoff, Al Gitch, Frank Kraus, William Terrell, William Burely, Earl Benth, Stanley Hoffmann, Louis Bursatti and Alex Taroff.

The latter were Mesdames Julia Barnes, Sheila Parnell, Marion Coleman, Hazel Emery, Marion Lipscomb, Maxine Little, Gladys Markovitch, Imogene McAvoy, Birdella Neumann, Edna Miller, Frances Polley, Ethel Thomas and Leitha Worth.

## Citizen Program Can Speed Nameoki Township Progress

Nameoki township officials' five-point program being launched this year is intended to encourage greater citizen participation in government. This is a worthy goal in itself, and the proposed citizen advisory board also should prove helpful to the township board in finding better and faster solutions to community problems.

The township's needs are many, as indicated by the five points—the greatly needed county zoning program, adequate law enforcement and crime prevention and solution, road and drainage improvements, public health and sanitation, and enactment and enforcement of trailer, dog, salvage yard and other regulations.

If gains and remedies are to be achieved, the interest of citizens will be a vital supplement to the planning and actions of the township board.

## Civil Defense Readiness Lessens Chance Of Its Use

Civil defense drills conducted here on a regular basis have shown that some degree of disaster preparedness has been attained, which could be important in view of current world crises and future uncertainties. Even more important, such readiness itself offers a strong deterrent to foreign powers, for it would prevent an early "knockout"—chief enemy hope in any future war.

There does not seem to be a strong possibility of a world conflict, despite the tensions in Cuba, the Congo and other trouble spots. But "be prepared" remains a sensible motto for U. S. municipalities and their volunteer defense corps. With severe weather alerts and frequent occurrence here, the natural disaster phase of the CD program, first-aid classes and other training also could prove invaluable.

Indecision is costly but hasty action sometimes costs more.

## Local Development Group Hopes To Improve Present Products, Processes

A product development group organized here has as its basis a valid but often ignored tenet—that existing procedures in countless fields and endeavors can be improved and are not sacred merely because they are in use. This is an imaginative approach, and we wish Tomorrow, Inc., success in its activities.

An extreme example cited—patents currently are being sought for a few less complicated projects—in the present system of dictating a letter or report and having it transcribed later on a typewriter. If an inexpensive device could be perfected for transferring the human voice directly into written words, much time, money and effort could be saved.

The organizers of Tomorrow, Inc., do not expect to enter this field, but they currently are screening many other suggestions that are no less challenging. Some of the ideas might appear radical, but they feel that through this process—and by taking no existing service, method or product for granted—they can aid local industries' diversification and employment.

Tried and true formulas are valuable, and thorough tests are necessary before they can be replaced. But there always will be a market and a need for sound, imaginative ideas—chief product proposed by the new development group.

You have never heard a gambler bragging about the money he lost.

## Two Divorces Granted In City Court Saturday

Two divorces were granted in the city court of Judge Fred P. Schuman here Saturday morning.

Marcella Hogue, charging cruelty, was given a divorce from Jerry Hogue. Married on May 11, 1950, the couple separated last March 1. She was given custody of one minor child.

Also charging cruelty, Patsy Leiner was divorced from Harmon Leiner. The couple married on April 3, 1945, and separated last April 23. Custody of two minor children was granted the plaintiff.

## Experienced Press-Record Observers At Meetings Of Taxing Agencies

The change in city officials' terms at this time of year brings to mind the many transitions observed and reported first-hand by the Press-Record. Nowhere else in the world can Quad-Cityans look for detailed accounts of how local governmental bodies are handling the tax funds.

An added dividend for local readers is the experience built up by the news staff through the years. At one of the council meetings in the Quad-Cities this spring, it was noted that only one of the 20 aldermen and other officials present had been active at the time the reporter assumed coverage of the meetings 15 years ago. Five mayors had come and gone, but the observer—also responsible to the public but not chosen by ballot—had remained the same.

Similar examples could be cited at other Quad-City taxing agencies, some of which have had several turnovers in board membership during the postwar years. In a sense, the newsmen thus have a more thorough picture of governmental practices and trends than most of the officials themselves. This experience enables both the actions and their significance to be explained fully.

The Press-Record advocates attendance by the people at all meetings of public agencies, but it is also aware that in most cases this does not occur, at least on a regular basis. While there can be no substitute for participation by the public, this newspaper will continue to supplement such participation with full and accurate reporting of the discussions and decisions as they develop.

## Postal Plan For Checking Voter Lists Could Improve Accuracy

The decision to allow election officials to check voter registration lists against postal change-of-address files merits study and possible action in Madison county.

Without laying the blame at the door of individual officials or existing laws, it is fair to say that registration lists for this election are inaccurate and excessively large. There is a hesitancy to remove names from precinct books due to death or moving, unless express notice is filed. Often such notice is not given, resulting in an inflated and distorted picture of a neighborhood's voting potential.

In the past, election boards could submit entire lists to the post office, where they would be checked against postal files at a considerably higher cost than the new plan. Postmaster General J. Edward Day says election officials are to be given access to addresses at a charge of five cents a name under a program intended "to assure the absolute accuracy of their registration lists and protect the rights of all potential voters."

If applied to this area, it would seem that the procedure could enable registration records to be kept more up-to-date, speed up the voting process and alleviating election day delays and disputes.

## 40-Year Record Of Service By Park, Recreation Program

"Life begins at 40," judging by the record of the Granite City park district, established in 1921. Its contributions to this area's recreational needs and scenic beauty have been outstanding for many years. Now, moving into its fifth decade, it is inaugurating even broader programs.

Aided by the recent expansion to include the Nameoki area, Granite City's system today is serving more people in more ways than ever before. Plans for the coming summer recreation season indicate a busy and varied schedule for a wide age range.

## State Radar Nets One Arrest Before Rains

State troopers, operating a radar unit in the vicinity of 13th street and Madison avenue Friday night arrested a motorist on a speeding charge before a heavy downpour of rain slowed traffic.

### Todoroff Turns Down College Professorship

"I like my home town and I like what I am doing," Robert D. Todoroff, director of the Coolidge Junior high school band department, says in explaining why he has turned down an associate music professorship offered by Indiana State College, Terre Haute, Ind.

The offer was made after Todoroff's special music interest, Latin American dance rhythms, became known at the Music Educators National Conference in Columbus, Ohio, in April. Todoroff had been invited to take the Coolidge Latin American instrumental ensemble to perform at the national conference.

The college's proposal would have involved Latin American music instruction, plus further research by Todoroff in this field. He is writing a book on the subject, and is regarded as a pioneer in including such a program in school instrumental music classes.

Another honor for the Latin American rhythm ensemble and the group as enlarged on an experimental basis has been accorded. It has been asked to present a half-hour program on Channel Nine, the educational television station, from 5:30 to 6 p.m. Thursday, May 18.

The TV program has been arranged by the officers of State Supt. George T. Wilkins and County Supt. Wilbur Trimp.

Others present were Mesdames Ann Barry, Mary Zikovich, Nellie Dezan, Caroline Sandor, Josephine Kubelka, Mary Blankenship, Mary Butcherich and a guest, Carol Chambers. Refreshments were served by the hostess. The club will meet in two weeks at the home of Mrs. Ann Fryntko.

Those who attended a youth revival Thursday and Friday nights at the First Christian Church, Wood River, included the following from the Quad Cities: Mr. and Mrs. Maurice Hayes, Carlos Ellis, Mr. and Mrs. Jack Hensley, Cord Richardson, Pearl and Leroy Madison, Paula and Sharon Weiland, Ruby Scott, Hester Hahn, Bob Ryan, Janice Sykes, Mary and Sue Sanders, David and Danny McBride, Tex and Connie Henley, Linda Ellis, Danny James and Linda Spence.

Mrs. Evelyn Ringering and Mrs. Beulah Krause met at the home of Mrs. Ethel Getteman Wednesday and made gifts to be given out at the den mothers' reserve booth at the scout fair during the weekend. Lunch was served to the group Wednesday.

The Ladies Aid of the Pontoon Church of Christ met Thursday at the church. A short business meeting was held, and the ladies quilled and embroidered. Those present were Mesdames Mary Dudley, Hazel Lomax, Vivian Ellis, Maude Summers, Margaret Moore, Maybelle Van Seay, Julia Bolton and Irene Davies.

### Motorist In Accident

#### Faces Two Charges

Charges of following too closely and drunkenness were placed Sunday evening against Charles F. McKenna, 38, of East St. Louis, following a two-car accident on Madison avenue at Niedringhaus avenue.

Police said McKenna's north-bound auto crashed into the rear of the auto of John J. Rogenski, 21, of 1105 McCaland avenue, Madison. McKenna was released today for a hearing next Saturday. He posted his driver's license and \$15 as bond.

### Speeding Charge

A charge of speeding at Niedringhaus avenue and Spruce street was placed against Charles Alvarez, 20, of the 185th Engine Co., who was arrested about 3:30 a.m. today. He posted his driver's license as bond.
